NATIONAL TRUST (ACT) ACTION BUS

The National Trust of Australia (ACT) commissioned Mr Russell Kelly to paint an ACTION bus to highlight the role of the Trust in and around Canberra.

One side of the bus depicts the Sydney/Melbourne Buildings in Civic whilst the other side represents the National Heritage aspect of the National Trust. It features a canoe tree, an Aboriginal painted rock and the Royal Bluebell floral emblem of the ACT. An Art Deco window of the Federation Style architecture of the Albert Hall is superimposed on the front of the bus. The bus also carries the Trust logo and a slogan saying : CARE FOR YOUR HERITAGE JOIN THE NATIONAL TRUST.

It cost \$5,000 for the art work which will be in place for five years. The bus was successfully launched by Senator Margaret Reid outside the Canberra Centre on Thursday 20 September 1990. And the bus will run on the City/Belconnen routes.

COUNTRY SPRING FAIR

The Country Spring Fair will be held at Lanyon on Sunday 4 November 1990 at 11.00am to 4.00pm.

Because this event is so diverse it gives every member of the Trust an opportunity to help!

Assistance is needed on Saturday, between 10.00am and 4.30pm for the setting up of the Fair. If you are able to help in anyway at all, either before, during or after the Fair, please return the enclosed pro forma, and/or ring the Trust office. There is a special need for members to volunteer for roster duty to take admission money between the hours of 10.30am and 3.00pm.

On the Sunday the grounds of Lanyon will be opened from 8.30am so that all will be in readiness for the public by 11.00am.

A roster for the Raffle will be organised by Faye Goldsmith (254 7849). The Christmas hamper is a special prize in this Raffle held and drawn at the Fair. We ask members for their help in providing the Seasonal contents.

A roster for the Book Stall will be organised by Robyn Edwards (286 3441). A new and special venture this year and we would remind members that books in good condition only will be on sale.

The Sandwich Stall roster will be organised by Audrey Harvey (288 4229).

The Trust and Classification Stall roster will be organised by Danielle Hyndes (281 0711).

We are aiming for an EXTRA SPECIAL CAKE BAKE this year. We are looking for 500 cakes of all shapes and sizes, plus homemade sweets. We would love to be "embarrassed" by the amount of goodies produced by the multitude of cooks within the membership of the Trust. Jo Goodspeed (282 1989) will be needing helpers on the stall. Bring your cakes to the Fair and/or ring the Trust Office (281 0711) re delivery arrangements.

Pat Rosewarne (241 4263) will be organising the Flower Stall. This was most successful last year, so once again we need flowers from your gardens.

Hospitality for the entertainers is being organised once again by Marion Douglas (295 6730), helpers and sandwiches will be needed.

If we have plenty of assistance it will enable everyone to have time to enjoy the Fair. We have the Band of the Royal Military College, Skedaddle Bush Band, the Canberra Morris Men and the Monaro Folk Music Society providing music entertainment from 1.00pm onwards.

There will be pony rides, face painting and Francis the Clown providing entertainment for the children.

30 or so vehicles will be on display by the Canberra Antique and Classic Motor Club.

Canberra Ginninderra Rotary Refreshment Van will be providing food, tea, coffee and icecreams.

"R & J Devlin" van will be serving pikelets and homemade icecream.

Of course there will be a variety of arts and crafts stalls and demonstrations.

SO MUCH TO SEE AND DO.

COME AND JOIN US - COME AND HELP US

AND HELP THE TRUST

1990 CURRY DINNER

This function was held once again at St John Priory and the one hundred members and friends who attended were able to enjoy a variety of curries followed by fruit salad and sponge fingers. Wine and fruit juice flowed and coffee with petit fours completed the menu.

Yvonne Baldwin most ably co-ordinated the evening with help from fellow Trust members, ie. preparing the hall, doing and providing flowers and producing the curries and fruit salad.

Once again Rick Forster with expertise and charm painlessly extracted \$1,000 from his audience and he conducted the greatly enjoyed Wine Auction. Special thanks go to Chateau Tahbilk Vineyard & Cellars, Nioka Ridge Vineyard and Campbells Winery & Vineyard for their generous donations of wine.

The final figure for this successful evening was \$2020.43 profit, which has been donated to the Trust's General Fund.

SPRING LUNCHEON

The Spring Luncheon is to be held at Burra Homestead by kind permission of Mr & Mrs J McDiarmid to be held on Thursday 11 October (this is the correct date!!), 12.00 for 12.30pm. Members \$15, non-members \$18.

Similar to last year there will be a chicken casserole, followed by coffee and petit fours. Wine and orange juice will be served with lunch.

The Trust's Gift Shop Table will be operating.

Mollie Fitzhardinge will be organising the Raffle; amongst the prizes will be one of Mollie's special fruit cakes!

The Speaker previously booked is not able to attend. It is most fortunate that His Excellency Mr Roger Duzer, the French Ambassador, will be the speaker. He has been asked to talk about conservation issues in France.

PLEASE NOTE : The National Trust Office will be closed between 11.00am and 3.00pm on Thursday 11 October 1990 for the Spring Luncheon.

THE LIFE AND TIMES OF WILLIAM HAY
of Boomanoomana 1816-1908
David Hay
\$26.00

William Hay was no Apollo and the well-whiskered, healthy middle-aged face which gazes out of the ornate Victorian gilt frame on the dust jacket of his biography supports this. One might be discouraged from reading it but this would be a mistake. The book is interesting on many counts. It describes how a penniless and unconnected young man of twenty-three, who had to leave his home town in Scotland, under a bit of a cloud in 1839, carved out a living for himself in Australia. Writing to a Scottish nephew in 1894 William described his and his wife Jane's life together with typical candour "little gear but plenty of brains, early struggles, competence first, affluence at last" and four years later he was writing again "I have no monetary worries. I neither care to make more nor do I fear to loose it". He never denied that he was self-made, though admitting that his wife's capital gave him a very good start, but he was able to enjoy a success and position he would have been most unlikely to have achieved in Scotland. Much of his life he weighed 18 stone and you can feel this weight on every page of the book as he builds up his pastoral empire round the homestead of Boomanoomana in the Riverina. And, as Member for the Murray in the New South Wales of Assembly between 1872 and 1883, he fights for the interests of all his constituents, humble selectors and large landowners alike. Sadly, his wife remains a shadowy figure. She made several trips back to Scotland on her own so was obviously a woman of parts. She seems to have been instrumental in persuading her husband to leave Boomanoomana in its heyday and build a comfortable mansion in Melbourne for their retirement. He honoured her and described theirs as "a love match on both sides" but unfortunately her thoughts and feelings about life in the Riverina are not known.

After a distinguished life in the Commonwealth Public Service, the author of this satisfying biography, Sir David Hay, Williams' great-grandson, was able to get the homestead back in the family. Together with Lady Hay, who was President of the A.C.T. Branch of the National Trust between 1980 and 1983, he was able to bring the house, outbuildings, garden and 320 acres of farmland back into working order. What a satisfactory tribute to a most respected farmer who gave his "all" to the land of his adoption.

TECHNICAL BULLETINS

The National Trust has some publications which would be useful to people who have older properties to restore or maintain. Some of the titles include :

Conservation of roofs	\$ 3.50
Damage to buildings on clay soil	\$ 3.50
Fences and gates 1840-1925	\$10.00
Exterior paint colours	\$ 3.00
Preservation of masonry walls	\$ 3.50
Planting 1850-1900	\$ 5.00

Their emphasis is on correct restoration. Stringent conservation guidelines; principles and procedures enunciated. However, they include plenty of information on where to turn to for help and moral support. Builders, craftsmen and home-owners alike will find these books provide excellent practical data for restoration work.

PERIOD BUILDING RESTORATION

Trades and Suppliers Directory. Fourth Edition.

\$5.00

In previous editions of this Directory the trades listed specialized in restoring Colonial, Victorian and Edwardian buildings. There is now increasing interest in the restoration of later styles including International Art Deco and Californian Bungalow. So many of the tradesmen and materials suppliers listed in the latest edition offer skill and products applicable to these styles. This well presented handy paperback is easy to use. For example, suppose you would like a good piece of furniture french polished. Turn to the FRENCH POLISHING section. Under New South Wales six firms are listed with addresses and telephone numbers, under South Australia, one, under Tasmania, three, under Victoria, nine. Take your pick. The A.C.T. gets only a rare mention but many of the companies will post catalogues or make a home visit if warranted. Many of the sections are of interest to owners of modern homes too. For example: BRASS AND COPPER POLISHING; LOCKS AND LOCKSMITHS; MARBLE-CLEANING; POLISHING; SUPPLY; TILES-HEARTH; PAVING; VERANDAH EDGING; WALL. It is remarkable to discover just how many companies are there to help you with all the details of home-making over which you, the householder, have choice. This directory is a must for the handy-person in the family. For the cost of a useful present your \$5.00 will be recouped the very next time you want a pretty door knob.

APOLOGY - In the June edition of Trust News the book review of "HOME WAS HERE" we published the authors name as Mary Lane. It should have been MARY LANG. We apologise to Mary Lang for this mistake.

LAKE BURRINJUCK AND CAREY'S CAVE

SATURDAY 10 NOVEMBER 1990.

This full day but relaxing outing is intended to appeal to all Trust members and their friends.

It will be necessary to drive to and from Burrinjuck State Recreation Area (about 115km from Canberra via Yass on all-sealed road) but the rest of the day will transport you to other worlds.

Construction of Burrinjuck Dam began in 1907, at which time it was the first significant inland water storage in Australia. The lake should be full in November and our day will start with a cruise to Carey's Cave near Wee Jasper. After a short, level walk from the boat, we will be taken on a guided tour through Carey's Cave. The return cruise will take us back along the lovely Goodradigbee Arm to the dam wall. Our boat, the "Lady BJ" is licensed to carry 49 passengers and is comfortable and well equipped. There are both inboard and outdoor areas.

The ticket price includes all cruise and cave inspection costs plus afternoon tea at "Cooma Cottage", Yass. Participants may bring their own picnic lunch and drinks for consumption on the return cruise, or a selection of fresh sandwiches and fruit can be supplied for \$6.00 per person if ordered at the time of booking. Tea and coffee will be supplied throughout the cruise.

Pamper yourself! Explore a new world at its best.

PIONEER WRITER

Allen & Unwin Australia Pty Ltd are delighted to give Trust members advance notice of this forthcoming book which will be published in October at the recommended retail price of \$29.95 (hardback).

In Pioneer Writer Louisa Atkinson's appealing character and her achievements in writing and in science in an age when the usual role of women was entirely domestic, are depicted against a rich social mosaic of nineteenth-century Australia. Her life was peopled by fascinating and intriguing characters including powerful landowners, geologists, botanists and explorers, one of whom became her husband in a marriage that was tragically curtailed.

If you are interested in obtaining Pioneer Writer, please contact the Trust Office on 2810711.

HELP - APPEAL FOR NEW GUARDIANS & GIFT SHOP HELPERS

During the winter months in Canberra many lucky people escape to warmer climates, resulting in a shortage of Lanyon Guardians and assistants for both the Manuka and Lanyon Gift Shops.

We realise however, most people are busy working, or leading full lives in retirement. If you have a free day and could help out at Lanyon or one of our Gift Shops it would certainly make the job of the roster organisers a little easier.

For further information contact the Trust office on 2810711. Rosters are available on request.

NATIONAL TRUST (NSW) MAGAZINE

Members are reminded that the National Trust (NSW) Magazine is available from the Trust Office and the Manuka Gift Shop. There are five issues per year and arrangements can be made with the Trust to post the magazine to members at a cost of \$8.00 p.a. Limited numbers of National Trust (Victoria) Magazines are also available from the Trust Office.
