NCA DRAFT AMENDMENT 90

MINT ADMINISTRATION BUILDING

The National Trust is concerned that our heritage is conserved and the Mint Administration Building is an important part of our heritage. We are pleased to note that there is a Heritage Management Plan in place and hope that it is current, is updated every 5 years and endorsed by the Department of Environment.

Any potential use or change must be in accordance with the HMP and significant possible changes of use should undergo a public consultation phase which includes the National Trust.

Provided any future use protects the heritage values of the place and if required to find a viable use then adaptation is supported as it is critical that our heritage is conserved and used.

Yours sincerely

Eric Martin AM
