## PROPOSED DEVELOPMENT ON BLOCKS 13 & 22 SECTION 22 KINGSTON

The National Trust is concerned with the height of the proposed development adjacent to the heritage nominated former Kingston Post Office

The Kingston Precinct Plan has a maximum 2 storeys along Jardine Street to maintain scale of the street and a height to suit the Post Office.

The Kingston Precinct Plan has a maximum 4 storeys on the subject site which will also maintain a scale for Jardine Street but an 8 storey build will not and it also contravenes the Precinct Plan

The nomination of the former Post Office for heritage listing is supported by the National Trust.

For a good urban design outcome a lower building adjacent the former Post Office as seen from Giles Street is considered essential.

Yours faithfully,

Gary Kent
