Your donation will help us...

Fight for and conserve our historic buildings and places for the benefit of current and future generations. You will be protecting our heritage for the future.

Conserve our important collections so we can exhibit them for more people to enjoy. You will be protecting these stories and treasures for the future.

Educate and inspire children about heritage through our educational programs. You will be inspiring a passion to last a lifetime.

Protect and nurture our natural habitats, flora, fauna and historic gardens, so they can adapt to climate change. You will be protecting the landscapes you love.

Continue our advocacy work so the places, stories and objects that matter can be protected. You will be supporting an organisation you care about and believe in.

Heritage needs your **Support**

During the coronavirus outbreak, Victoria's heritage needs us more than ever.

Income from our properties and events is the lifeblood of our organisation – but because our properties and events have been closed, our revenue has gone.

With your support, we can make sure that our buildings, collections, stories and environments will survive for future generations.

Donations are vital - give to our Annual Appeal and make an enduring difference.
