Tree of Life at the S.H. Ervin Gallery

In 2021 curator Gavin Wilson brings another thought-provoking exhibition to the S.H. Ervin Gallery, *Tree of Life*: a testament to endurance. The concept for *Tree of Life* is the central motif that signifies the challenges we face. What remains of the natural world is the one beacon in a perilous age of drought, fire, floods and plague, exacerbated by the constant reality of climate change. This major exhibition led by First Nations artists will generate a fresh, positive energy towards the reclamation of diminishing natural resources.

19 Saturday 8 May, 2021
