Our heritage  
for the future

A photograph of a park scene. On the left, a massive tree with thick, gnarled roots dominates the foreground. A wooden boardwalk path leads from the tree into the distance. A young man and woman are walking away from the camera on the path, holding hands. The man is wearing a black t-shirt and a plaid skirt, and the woman is wearing a blue and white checkered shirt and denim shorts. The background shows a green lawn, more trees, and a cloudy sky.

## 2021 AUSTRALIAN HERITAGE FESTIVAL THEME

The Australian Heritage Festival is created with the vision of recognising and celebrating the significance of our natural, historic and Indigenous heritage places and ensuring they are valued by Australians, protected for future generations and cared for by the community.

The Australian Heritage Festival is coordinated annually by the National Trust of Australia and is proudly supported by the NSW Government through the Heritage Council of NSW.

The National Trust is committed to achieving this vision by leading the Australian Heritage Festival nationally, building strong partnerships with communities to celebrate their natural, historic and Indigenous heritage, and to engage lovers of heritage and new audiences with the stories of our past and present so they may be preserved for the future.

This year the theme for the Australian Heritage Festival will be **Our heritage for the future** – celebrating of all aspects of Australian culture and history, telling the stories of diverse and distinctive experiences that make up our communities.
