

ACT Region Heritage Symposium 2021

Heritage at Times of Crisis: Saving, Sustaining, Sharing

Saturday 7 August 2021

Convened by Heritage Partners:

Canberra & District Historical Society

*In a Land of Fires, Droughts and Flooding Rains,
and now Climate Change, and a health pandemic,
what role at such times has a community's heritage
in maintaining its sense of place, of belonging, and continuity?*

In this year's Symposium, we will explore this question with a series of papers addressing examples of problems and solutions: case studies that assist us in dealing with such crises and change, including being locked down or out during a pandemic. Does our heritage assist us? We look to gain a wider understanding of how heritage can support us at such difficult times.
