Independent Auditor's Report to the Members of National Trust of Australia (NSW) Heritage Foundation Ancillary Fund:

Opinion

We have audited the financial report of National Trust of Australia (NSW) Heritage Foundation Ancillary Fund ("the Ancillary Fund"), which comprises the statement of financial position as at 30 June 2020, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the Trustees' Declaration.

In our opinion,

- (a) the financial report of the Ancillary Fund has been prepared in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012 (the "ACNC Act")*, including:
 - (i) giving a true and fair view of the Ancillary Fund's financial position as at 30 June 2020 and of its financial performance for the year then ended; and
 - (ii) complying with Australian Accounting Standards – Reduced Disclosure Requirements and Division 60 of the *Australian Charities and Not-for-profits Commission Regulation 2013*.
- (b) we have been given all information, explanation and assistance necessary for the conduct of the audit;
- (c) the Ancillary Fund has kept financials records sufficient to enable a financial report to be prepared and audited; and
- (d) the Ancillary Fund has kept financial records as required by Part 3.2 of the ACNC Act.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Ancillary Fund in accordance with the auditor independence requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* ("the Code") that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*, which has been given to the members, would be in the same terms if given as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Trustee for the Financial Report

The Directors of National Trust of Australia (NSW) Heritage Foundation Limited ("the Directors") are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards – Reduced Disclosure Requirements and for such internal control as the Directors determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Directors are responsible for assessing the Ancillary Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Ancillary Fund or to cease operations, or have no realistic alternative but to do so.

The Directors are responsible for overseeing the Ancillary Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Ancillary Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Ancillary Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Ancillary Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

(b) Transfer of funds to related Trusts

During the 2018 financial year the Ancillary Fund received a donation of \$8,000,000, which was thought at the time of receipt to be tax-deductible and therefore in line with the purpose of the Ancillary Fund. However through receipt of further information in the 2019 financial year, it was determined that the donation was not tax-deductible and as a consequence should have been deposited into a related trust, The National Trust of Australia (NSW) Heritage Foundation Trust, a trust with a common trustee to that of the Ancillary Fund. The National Trust of Australia (NSW) Heritage Foundation Trust takes receipt of large non tax-deductible donations, where the donors wish is that the capital be maintained. NATIONAL TRUST OF AUSTRALIA (NSW) HERITAGE FOUNDATION ANCILLARY FUND

NOTES TO AND FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED 30 JUNE 2020 (CONTINUED)

NOTE 8: DISTRIBUTIONS

In accordance with the terms of the Trust Deed, the Trustee each year:

- (a) shall distribute up to 80% of the Income received in that Financial Year (subject to clause (b)(ii)(below)); and
- (b) either:
 - (i) shall accumulate and retain the remainder of the Income (Retained Income) as an addition to the Capital Base if the Capital Base has not been augmented from other sources in that Year by an amount at least equal to the amount of the Retained Income; or
 - (ii) may but is not required to distribute all or part of the Retained Income if the Capital Base has been so augmented.

In addition, in accordance with the Trust Deed the Trustee may also distribute up to 5% of the Capital Base of the Trust Fund in any one year if approved by at least 75% in number of all the directors of the Trustee and 75% in number of all of the directors of The National Trust of Australia (New South Wales).

The minimum annual distribution amount of both income and capital is also subject to the distribution requirements set out in the Public Ancillary Fund Guidelines 2011. In both the 2019 and 2020 Financial Years the minimum annual distribution requirement is the greater of 4 per cent of the market value of the Ancillary Fund's net assets (as at the end of the previous financial year) OR the amount distributed as income in accordance with clauses (a) and (b) above plus any of the Capital Base distributed.

NOTE 9: SUBSEQUENT EVENTS

There remains significant uncertainty regarding how the COVID-19 pandemic will evolve, including the duration of the pandemic, the severity of the downturn and the speed of economic recovery. In accordance with AASB 110 *Events after the Reporting Date*, the Ancillary Fund considered whether events since the end of the financial year confirmed conditions existing before the reporting date. The Ancillary Fund did not identify any subsequent events triggered by COVID-19 related developments, which would require adjustment to the amounts or disclosures in the financial statements. Additionally, no other material non-adjusting subsequent events relating to COVID-19 were identified requiring disclosure in the financial statements. The COVID-19 situation remains fluid and the Ancillary Fund continues to closely monitor the financial effects.

There have not been any other matter or circumstance that have arisen since the end of the financial year that has significantly affected, or may significantly affect, the Ancillary Fund.
