

Example of conservation work able to be supported by the Endowment Fund

“I am passionate about the wonderful historic properties of the Mornington Peninsula region. These treasured and significant places enrich our lives and they must be preserved for future generations.

We can all play a part in preserving and celebrating our heritage. Please join me in supporting this exciting opportunity through the Endowment Fund.”

“I am proud and delighted to support the Mornington Peninsula Properties Endowment Fund.

These places are truly integrated into the rich fabric of our community and each property tells many unique and inspiring stories. This is an important initiative worthy of support.”

The National Trust of Victoria Foundation is most grateful for the generous donations made to the Mornington Peninsula Properties Endowment Fund.

**Mornington Peninsula Properties  
Endowment Fund**

— Giving the past a future —

## Dear Supporter,

Through the Endowment Fund, which is held in the National Trust of Victoria Foundation, we invite you to make a financial contribution to preserve the historic properties on the Mornington Peninsula for future generations. Treasured National Trust properties such as Mulberry Hill, McCrae Homestead, The Briars and Endeavour Fern Gully are places of important State significance.

Local residents, school children and tourists enjoy visiting these properties each year. Our historic properties tell an important story about our past that helps us to give context to our future. More and more tourists are drawn to our district and the historic properties are a primary attraction, contributing to the perceived importance of our region and to our local economy. The conservation of heritage properties of built or environmental significance is an expensive and ongoing task.

Significant investment has been made in recent years, creating local employment and encouraging heritage skills training. We must ensure that our properties are well preserved and maintained to be attractive destinations for generations to come. Any donation that is made to the Mornington Peninsula Properties Endowment Fund will help us to build a corpus and will be used solely for the benefit of our buildings on the Mornington Peninsula. Making a bequest to the Endowment Fund, through the Foundation, is another way to ensure a lasting legacy for these wonderful properties.

Thank you for your commitment to:  
**GIVING THE PAST A FUTURE.**
