

people, places and stories

Longford, Launceston and Surrounds

Saturday & Sunday 18th & 19th May 2024

Longford House

People, places and stories combines the first of our 2024 Winter Lectures with visits to four historic properties in the Longford & Launceston areas.

Saturday's program commences at 11am in Longford with a tour of the extensive gardens of *Longford House*, noted for their symmetry, established oaks & yews, & Hawthorne hedges. Enjoy your BYO lunch here before driving to picturesque Illawarra church & cemetery. Then on to *Kilgour House* with sweeping lawns & classically formal gardens & afternoon tea to finish the day.

Substantial canapes & drinks at The Launceston Club from 5.45pm are an optional extra.

A visit to *Claremont*, hidden away amongst the seclusion of the 100 year old trees & set on approximately one & half acres of tranquil gardens in East Launceston, follows the lecture & lunch at the Tramsheds on Sunday and concludes the weekend.
