## National Trust (NSW) Heritage Awards 2025 entry questions

### Categories

- You may enter as many categories as you wish. Each entry will be subject to the conditions of entry and a separate entry fee will be charged per category entered.

Aboriginal	For projects that seek to promote understanding, appreciation, conservation and/or awareness of Aboriginal heritage.
Architecture	For projects which are sympathetic to the heritage significance of a place or complement and utilise existing built heritage, including adaptive reuse or new work in historic contexts.
Advocacy	To recognise the commitment of a community group and/or individual who have pursued the protection and conservation of key heritage places, items or objects.
Built Conservation	For projects that relate to conservation of our built heritage including capital works and repair. Such projects may include buildings, structures or sites. Awarded to one large and one small project.
Enduring - NEW!	This recognises ongoing care and conservation across time. Includes evidence of regular maintenance using appropriate materials and techniques or the ongoing conservation of heritage (built, natural or cultural).
Interiors and Objects	For projects that relate to the conservation of historic interiors and objects. Movable heritage and collections may be included.
Landscape	For projects that relate to the conservation, care and promotion of our landscape heritage. This may include natural, urban and cultural landscapes.
Education and Interpretation	For projects that serve to educate about or interpret our heritage in an engaging way. This may include curriculum-based educational projects and resources, and specific interpretation projects relating to a place or item.
Events, Exhibitions and Tours	For events, exhibitions and tours which emphasise and promote education, interpretation and community engagement in heritage.
Resources and Publications	For any public facing resource or publication that promotes the conservation of our heritage. This may include books, research, websites, archaeological resources, heritage guidelines, fact sheets, field guides and heritage studies, both in print and online.
