## Please note:

All reserves are CLOSED on total fire ban days, working bee arrangements are subject to change due to weather, important dates and public holidays and fire bans. For more information please visit the CFS website and BOM weather. Some reserve groups have facebook pages or email notifications with regular updates - you are welcome to join these.

What to wear: Comfortable gardening clothes (long sleeve shirt/pants), sunscreen, hat and sturdy boots

What to bring: Plenty of water, morning/afternoon tea or lunch/snacks and a sense of humour!

Tools: Gloves, secateurs and loppers are useful for bushcare work. Other favourites are small digging tools and tool belt if desired, picks, mattocks and pruning saws. We always have spares!

For any further information please contact our Natural Heritage Manager Alex Emmins on **0467 467 920**
