| <p><b>Submission requirements:</b><br/>For projects that involved construction and conservation, it is important to illustrate to the judges the scope and extent of works carried out.</p> <p>Due to the large number of entries received, judges cannot conduct personal inspections. Judging relies on your written and visual evidence. Please ensure your submission thoroughly represents the work undertaken.</p> <p>Submissions should be combined into a <b>single PDF document</b> and resolution for a computer screen only is required. Max 10MB file.</p> <p>We recommend submissions include details which may include:</p> <ul style="list-style-type: none"><li>• A written summary of the works undertaken, and those involved in the project</li><li>• Architectural drawings clearly showing the extent of work undertaken for built projects, which differentiate between new and existing components</li><li>• Project scope/specification and conservation guidance</li><li>• Specifications outlining repairs undertaken</li><li>• Clear and engaging photographs to properly show the project (e.g., before and after shots)</li></ul> | <p><b>Submission requirements:</b><br/>For projects that did not involve a construction element, the entry submission should demonstrate the key features of the item or event and its success/impact.</p> <p>Submissions should be combined into a <b>single PDF document</b> and resolution for a computer screen only is required.
